

Grand Canyon Gas Logs Statement Of Policies

The following terms and conditions outline Grand Canyon Gas Logs (GCGL) policies and procedures with respect to Freight, Return and Warranty Policies. The customer(s) (Customer) are defined as GCGL's direct customers which include and are not limited to Distributors, Dealer and End Users. The following terms apply to direct shipments from GCGL and/or Shipments from our Distribution facilities to the customer(s). Policies are written as a standard to follow in the event of an occurrence.

Freight Policy:

In order for GCGL to provide excellent customer service and assurance of claims, the customer must follow the steps and procedures below upon receipt of goods. GCGL ensures that products leaving our facility are in pristine condition, however our liability ends upon acceptance by the carrier.

All packages must be inspected immediately after receipt. If there is any visible damage to the box, the customer MUST Notate and/or refuse the shipment in whole in order to receive full no cost replacement. Contact your Customer Service Representative immediately to obtain return authorization (RMA). Failure to obtain an RMA will result in the refusal of delivery back to GCGL.

PLEASE NOTE: If the product is accepted by customer as complete and satisfactory, we will not be able to honor your claim.

- All damaged and missing freight requests need to be sent to GCGL customer service department. Please send request to customerservice@grandcanyongaslogs.com along with the proper documentation.
 - Proper Documentation includes photographs of the damage box, photographs of the damage product, proof of purchase & a filled out warranty claim form. Warranty Claim forms are located in Dropbox and can be emailed upon request.
- If freight damage occurs while shipping on the customer's account (ground or LTL), the customer is responsible for filing their own freight claim. A new PO may be sent to GCGL Customers Service Department to replace the damage part. The customer is responsible for the cost of the item and/or the freight depending on the agreed upon freight terms.
- All damages visible or concealed must be reported within **48 hours of delivery** to qualify for any freight claims. Concealed damaged includes and is not limited to broken or damaged logs, broken or damaged valves, fillings, pilot assemblies and/or any other items located inside a box. Outside of the **48-hour** window GCGL can not guarantee the claim will be processed.

Return Policy:

It is the responsibility of the customer to initiate a return or credit request. Proper written authorization must be obtained from GCGL in the form of an RMA before any item can be returned. Items returned without an RMA will be refused and returned to the shipper on a freight collect basis. Once an RMA is issued, items must be returned within 30 days.

- If for any reason you are not completely satisfied with our product, you may return any item in its original condition within **30 days** of receipt and we will gladly provide a refund, replacement or exchange. Return requests MUST (RMA) be authorized by GCGL Customer Service Department. Returns and/or exchanges are subject to additional freight charges.

- Buyer Remorse Returns – All returned item(s) that are deemed “Buyer’s Remorse” will be accepted as long as received in original packaging and unused and are subject to a 20% restocking fee.
- All Returns will be accepted as long as the product is unused, unopened, and in original manufacturer packaging. Products that have been opened and installed will not be accepted.
- Product deemed “Special Order” or “Non-Stock” are not eligible for return.
- Returns are subject to a 20% re-stocking fee, and will be applied upon receipt and inspections of the item(s)
- It is the responsibility of the customer to return the product in the same new/undamaged condition in which it was received. If a return product is received damaged in shipping, it will not be eligible for a credit. GCGL is not responsible for items damaged during return shipping.
- Items intended for indoor use that have been damaged due to weather will not be covered under manufacturer’s warranty, and are not eligible to be returned

Warranty Policy:

GCGL Manufactures its products to the highest quality and standards. We also employ industry technical professionals to handle technical requests, trouble shooting questions and general product questions. Prior to submitting a warranty claim the GCGL Technical Service Department **MUST** be contact to diagnose & authorize a faulty or defective part. The following is a details statement on the warranties of each of our components.

Refractory Logs:

- GCGL, logs carry a lifetime warranty against any manufacture defects or breakage as long as the products are installed INDOORS. Logs installed in an outdoor fireplace or outdoor fire-pits carry a (5) year warranty. This warranty does not cover color fading due to use. In the event defect or breakage occurs, a replacement will be available to pick up from the dealer at which the log set was originally purchased or shipped directly to the customer if ordered online. This warranty does not cover breakage caused by excessive handling once installed and fired and does not cover improper installation. This warranty is limited to original purchaser only.

Fiber Products:

- Fiber products such as Cannon Balls, River Stones & Fiber Logs carry a 5-year warranty against any manufacture defects or breakage as long as the products are installed inside. Fiber Products carry a 2-year warranty when installed outside. This warranty does not cover color fading due to use. In the event defect or breakage occurs, a replacement will be available to pick up from the dealer at which the log set was originally purchased or shipped directly to the customer if ordered online. This warranty does not cover breakage caused by excessive handling once installed and fired. This warranty is limited to original purchaser only.

Domestic Standard Burners:

- GCGL burners carry a life time warranty against manufacture defects or breakage as long as the appliance is installed INDOORS and by a professional installer. Black paint color, sheen or finish is not covered. Domestic burners installed outside carry a (1) year warranty. In the event defect or breakage occurs, a replacement will be available to pick up from the dealer at which the log set was originally purchased or shipped directly to the customer if ordered online. This warranty

does not cover breakage caused by excessive handling once installed and fired and does not cover improper installation. This warranty is limited to original purchaser only.

Domestic Stainless-Steel Gas Log Burners:

- GCGL Stainless Steel burners (designated -SS) carry a life time warranty against manufacture defects or breakage when installed indoors, in an outdoor fireplace or outdoor type room (two, three Seasons type room) and by a professional installer. Stainless Steel finish will brown and age after burning. In the event defect or breakage occurs, a replacement will be available to pick up from the dealer at which the log set was originally purchased or shipped directly to the customer if ordered online. This warranty does not cover breakage caused by excessive handling once installed and fired and does not cover improper installation. This warranty is limited to original purchaser only.

Imported (Athena) Stainless-Steel Fire-Pit Burners:

- GCGL Imported Line Athena Fireglass & Accessories fire-pit & fireplace burners carry a (5) year warranty against manufacture defects or breakage when installed indoor, in an outdoor fireplace or outdoor type room (two, three Seasons type room) and by a professional installer. Stainless Steel finish will brown and age after burning. In the event defect or breakage occurs, a replacement will be available to pick up from the dealer at which the log set was originally purchased or shipped directly to the customer if ordered online. This warranty does not cover breakage caused by excessive handling once installed and fired and does not cover improper installation. This warranty is limited to original purchaser only.

Electrical and Valves:

- GCGL valves, pilot assemblies and electrical components installed indoors carry a (2) year warranty against breakage or defects from date of purchase, by original purchaser, and must be installed by a certified gas professional installer. This warranty does not cover batteries. This warranty only applies when used with GCGL burners and logs. Electrical components installed outside carry a (1) year warranty. In the event defect or breakage occurs, a replacement will be available to pick up from the dealer at which the log set was originally purchased or shipped directly to the customer if ordered online. This warranty does not cover breakage caused by excessive handling once installed and fired and does not cover improper installation. This warranty is limited to original purchaser only.

Labor Credit:

- To apply for a labor credit for a warranty claim the dealer/distributor must fill out a warranty claim form & provide proof of purchase along with an explanation of an issue. Grand Canyon Gas Logs Customer Service team must be contacted to diagnose any problem with a valve, pilot or remote. On an approved warranty claim a \$65 credit will be applied to the distributors account. GCGL does not pay plumbers or certified gas professionals directly. The credit is limited to a single occurrence and single trip.
